Dear Mr. Ouellette,

Congratulations! You have achieved Platinum Plus status on your Markel Safety Systems Management Report.

Because Markel is Canada's largest trucking insurer and has been serving the industry for over 60 years, our Safety Systems Management Report is the only report that shows how your company ranks in comparison to 100 percent Canadian trucking data, benchmarking your company against over 1,000 other fleets.

Achieving Platinum Plus status means your company ranks among the top five percent in Canadian trucking, particularly when it comes to your commitment to road safety and the uninterrupted flow of goods in Canada.

It is our distinct pleasure to recognize this commitment to safety and continuous improvement. We are proud to be your business partner, and we look forward to continue working with you to support your success.

Sincerely,

Silvy Wright  
PRESIDENT AND CEO  
MARKEL INSURANCE COMPANY OF CANADA
